

Message from the Director

The St George weather could not be better, the trees are beginning to green, and the joyful sounds of children playing can be heard in our parks. It's a good time to get out and about within the community. As you enjoy the fun, allow me to entice you to join us at the library with a few of our celebrations.

April 12, 2014 is National D. E. A. R. Day (Drop Everything and Read). It's a special day to celebrate reading with the intent to remind and encourage families to make reading together on a daily basis a family priority. So drop the remote and the video game controllers, put down the phones, and celebrate with us by reading together. Are you stressed? Go read a book!

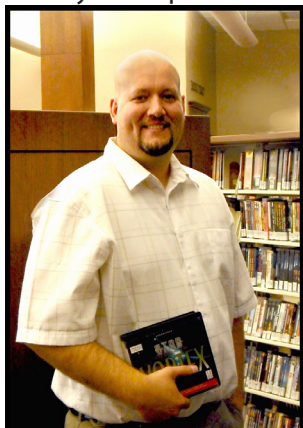

April 13 – 19, 2014 is National Library Week. Have you ever wondered if the library had a birthday? Well, I don't know when the first library was created, but in 1958, they created a full week to celebrate libraries, the contributions of the library, the employees, and to promote library use and support. The theme for this celebration is "Lives change @ your library". Come celebrate with us!

April 30, 2014 is Children's Day/Book Day, or El dia de los ninos/El dia de los libros (DIA). DIA is intended to celebrate literacy for every child regardless of linguistic and cultural background. Leading up to the event we will have several programs to celebrate DIA, with both a Spanish and Chinese Mandarin focus. The DIA focused story times will be held at the Hurricane library on April 28th and 29th at 11:00 and 1:30. The main event will also be in the Hurricane library, presented in partnership with Head Start, on April 30th at 6:00.

Come join us. We hope to see you at the library!

Joel E. Tucker, Director
Washington County Library System

The Children's Corner

There are lot's of fun events happening in April! Celebrate Money Smart Week April 5-12, National Library Week April 13-19, Easter on April 20th, Earth Day on April 22nd, and finish up the In n' Out Burger Reading Challenge by April 12th!

When nurturing your little readers, commenting on actions or events is a great way to give children examples of how to use language in everyday routines. Provide your child with books and a reading light, and let them read in bed.

This month, the Library brings you the letter "I"! Find books by authors whose last name starts with the letter "I". Easy book and Picture book readers can try books by these authors: Ichikawa, Inkpen, Inches, Imal, Irbenskas, Isadora, and Ives.

Chapter book readers can try books by: Ibbotson, Indiana, Innocenti, Intrater, Irving, Isaacs, and Ines.

I will bid you farewell with a joke I found in April's Highlights Magazine - "Knock, knock." "Who's there?" "Olive." "Olive who?" "Olive you so much!" Happy reading!

FOREIGN FILM CLUB

'Wadjda' (2012) is the Foreign Film Club's movie pick for April. This drama from Saudi Arabia is about Wadjda, an enterprising Saudi girl who signs on for her school's Koran recitation competition as a way to raise money in order to buy the green bicycle that has captured her interest. There is much more to this film as Wadjda's plans become thwarted when she is caught running various schemes at school.

Filmed in Riyadh, the capital of Saudi Arabia, this award winning film (18 awards, including the Los Angeles Film Festival, and 17 nominations) will be one that will be talked about for a long time. But don't take the critics word for it; check it out for yourself from your library.

The Foreign Film Club meets the first Monday of every month at 5:00 in the Community Room at the Santa Clara Library. Come and join the discussion of this wonderful film. See you there!
