

Message From The Director

November is a time when people come together as neighbors, friends, and family to recognize all they have to be thankful for. I remember with fond memories gathering with family on my grandma's little farm in the warm Florida sun for a nice plate of shrimp. Yeah, you heard me, shrimp. Of course there was also turkey, ham, lamb chops, rabbit, potatoes, gravy, vegetables, pies, and more. I didn't think it too odd at the time, but it was a treat since my mom was allergic to seafood. No matter what you eat, or where you gather, it is always nice to share and give thanks.

As many of you are aware, the library will be closed for Thanksgiving. We hope to give our staff the chance to spend time with their loved ones during the holiday season. Fear not, we will return to work refreshed, energized, and ready to serve your library needs. We thank you for making the library a part of your life, and welcome you back to enjoy the wonderful resources we have bought for you.

We spend over \$500,000 a year buying materials for your use. We have discovered that we lose on average \$70,000 a year in lost materials and unpaid fines/fees. In the past, we have patiently waited for patrons to pay their fines. However, over the past 10 years, we have accumulated \$700,000 in unpaid fees. As responsible stewards for the funds and resources that we have bought with your tax investment, the library board determined that it was irresponsible of us to not try and recoup some of that money. Therefore, starting in January, the library is contracting with a collection agency to encourage people to return their lost items and pay their fines. Whether you pull it up and check online, use the self-checkout machines, or ask the clerks at your local library, we encourage you to evaluate your library debt and resolve any concerns you may have.

No matter where you find yourself this month, enjoy the holidays, give thanks to those around you, and resolve any debt concerns you may have.

Washington County Library System

For most of us, Veterans Day means a chance to enjoy an extra day off from school or work. However this November 11th, be sure to spend a few minutes on its true purpose, by acknowledging the men and women who have served in our armed forces. These include the members of the US Army, Navy, Marine Corps, Air Force and the Coast Guard.

Previously known as Armistice Day, it was originally meant to commemorate the veterans of World War 1. After the the second World War and the Korean Conflict, many people felt that it should include all veterans. With the approval of legislation in 1954, November 11th became a day to honor American veterans of all wars for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

With Veterans Day falling on Sunday this year, the Library will observe the holiday on Monday, November 12th and will be closed. The Library would like to acknowledge all of the brave men and women who sacrifice everything to make this world a safer place for the rest of us. We are grateful for your service.

Employee Spotlight

The Library Employee Spotlight shines on Beth Meyers for the month of October. Beth is a selector for the library, focusing on children's books and nonfiction materials. She often fills in during story time and has a great rapport with children, knows many children's

books, and received her Master of Library Science degree with a focus on children.

She consistently gives excellent customer service and works to see that patron needs are meet. She fills in where needed, and has assisted in Technical Services, the Reference Desk, and the Children's Desk. She also provides a regular newsletter feature, Dewey Lewis and the Movie News column featuring DVDs.

Last month Beth returned from a dream trip to Europe in which she spent two weeks with her sisters traveling and trudging around London. She loves the library and has worked at several libraries: Highland Public Library, Springville Public Library, and the Law Library for Utah in Salt Lake City.

She is a great piano player and entertained the staff at Christmas. She likes to play video games. She has an artistic flair. She enjoys spending time with family. She likes reading fantasy and is even partial to dragons. Please congratulate Beth when you get the chance!

If you go outside an hour or so after sunset and look to the south-southeast, you'll see a bright, rust-colored dot hanging in the sky. No, it's not a UFO, and it's not a drone that's hovering super high up. It's Mars! The red planet has been especially close to Earth this past summer, and while it's gradually getting dimmer now as it moves farther from us, it's still possible to get a thrilling look at the planet as it makes its way across the sky. In fact, November 28th is Red Planet Day, which commemorates the launch of Mariner 4, the first robotic spacecraft to make it to a Mars flyby. To celebrate Red Planet Day, you can do some Mars-gazing yourself, and we have a few DVDs you can check out to pass the time until it gets dark enough to see it:

Movies & TV:

- JURASSIC WORLD.
- FALLEN KINGDOM
- LEAVE NO TRACE
- OCEAN'S 8
- SKYSCRAPER
- SOLO: A STAR WARS STORY
- TAG

Documentaries:

- THE DEFIANT ONES
- FIRST LADIES REVEALED
- JUST WALK: BELLY BLASTING WALK
- NO PASSPORT REQUIRED
- SHARK WEEK: SHARKTACULAR...
- WONDERS OF MEXICO

It's FREE to borrow DVDs with your Washington County Library Card, so basically it costs the same as going outside to watch the planets. So come on by to get a DVD, and maybe check out one of our telescopes while you're at it!

November is National Picture Book Month! The picture book is often a child's first experience of looking at and reading art and words. Picture books for young readers are building blocks that promote literacy, vocabulary skills, and sentence structure

Children learn to read pictures before they learn to sound out words or read full sentences, and for the very young, the partnership between pictures and text helps them take in and find pleasure in a narrative. The rhythm and rhyme of picture books makes them easy to understand and fun to read aloud, allowing children to learn words quickly. In addition, reading the same story repeatedly increases vocabulary by 12%.

The Washington County Library System invites you to join the celebration and check out some picture books @ your library!
