Something New & Something Nice

The library is going to be introducing a new service to the residents along Highway 18. We are working to have a locker system installed in Veyo. As an example, this is very much like a postal box, Redbox, or Amazon locker system. Patrons will be able to request items be sent from any of the 8 libraries in the county to be picked up in Veyo. The locker will help those living not only in Veyo, but Pine Valley, Central, Brookside, Gunlock, Dammeron and Diamond Valleys. Distance is the issue they face to obtain library materials from the nearest two libraries—Enterprise or St. George. Of the communities listed, the closest round trip is a little over 25 miles, and the biggest round trip is approximately 70 miles. While the lockers are not a substitute for a library, they do bring materials for use much nearer to county residents living in this area. Now for the something nice:

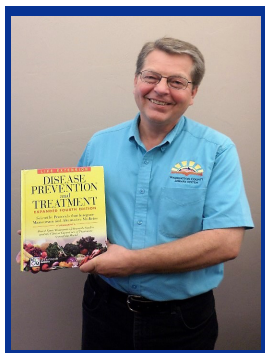

As we are in June, Summer Reading at the Library is starting. Do you want to have some fun? Do you want to win weekly prizes? Summer Reading is kicking off and running weekly in June and July. You can participate in the main event, the focal point, the hub of library activity, the nucleus, the experience! Call it what you want, Summer Reading is the big dance for the library. We invest time, energy, and hope into this annual event. We do things all year long, but this really is the chance to have fun and get something back on your reading investment. In fact, in each category—Children, Teen, and Adult—you will be entered into a finisher prize drawing if you complete the program. This year adults, teens, and children who finish may win in the drawing some major gifts or prizes. In the adult category you could win an iPad; Young adults: Pyxel Bot, Solar Bot, or Labyrinth game; Children: Train Rug set, US Puzzle, Dinosaur Puzzle, or Space Rover.

If you have never participated in the weekly programs or reading challenges, try it out. It is easy and fun. You can sign-up at <https://washcolibrary.readsquared.com/> or in person at any library location. If you have questions, any library staff member can direct you to information and help you get started. In case the above didn't convince you and you need more: "Research shows us that summer reading programs really do improve kids' reading skills and increase their desire to read. Additionally, according to the School Library Journal, those who participate not only mitigate any summer learning loss, but they even show gains. (See, <https://scholarwithin.com/6-benefits-of-summer-reading-programs/>)"

Remember, the earlier you start the program the more you can potentially win, so time is really on your side at whatever age or stage of life. Enjoy!!

Washington County Library System

Get ready to dig into adventure, discovery, and imagination with the Washington County Library System's 2026 Summer Reading Program! From June 1 through July 25, readers of all ages are invited to join us at any of our eight library branches for a summer filled with books, activities, prizes, and fun.

As a proud participant in the Collaborative Summer Library Program (CSLP), we're excited to bring you another summer of free reading adventures for children, tweens, teens, and adults. This year's theme, "Unearth a Story," invites readers to uncover hidden histories, discover fascinating facts, explore new worlds, and dig deep into the stories that connect us all.

Why Read This Summer?

- **Build Reading Skills** – Summer readers stay engaged and ready for success when school begins again.
- **Prevent the Summer Slide** – Just a few minutes of reading each day helps maintain important literacy skills.
- **Discover New Adventures** – Books can transport you across time, around the world, and into unforgettable experiences.
- **Fun for the Whole Family** – Reading together creates memories, sparks conversations, and encourages lifelong learning.

Throughout the summer, you'll find exciting programs, hands-on activities, special events, and reading challenges at all eight library branches, all designed to help you unearth something amazing.

Finish Strong, Win Big! Participants who complete the Summer Reading Program will be entered to win fantastic prizes. Whether you're a young reader, a teen, or an adult, there are exciting rewards waiting for those who stick with the adventure and reach the finish line! Join the fun and sign up at your local library branch or register online at: washcolibrary.readsquared.com

This summer, grab your library card, open a book, and start digging into stories waiting to be discovered. You never know what treasures you'll uncover when you Unearth a Story at your library!

Employee Spotlight

I am pleased to present Dustin Davis as the employee spotlight for the month of May.

He began his journey with the library on June 25, 2007, at the St. George Branch. He is the Horizon Database Administrator (computer systems) at the library for nearly 20 years. This means his primary responsibility is to keep the library computer circulation system up and running. This allows patrons and staff to look up items in the collection, check items out, place holds, and much more. He is always willing to take on new tasks and has a wonderful approach to his everyday responsibilities. As you can see, he has been a strong part of our service for many years.

As a demonstration of his willingness to take on new tasks, two items recently stand out. First, we are working on having a locker system installed in Veyo. Patrons will be able to request items be sent from any of the 8 libraries in the county to be picked up in Veyo. There has been a lot of work and preparation for the locker's arrival and installation. Secondly, while the delivery courier was out in the month of May, Dustin stepped up and did the courier run so the materials kept moving.

Dustin has a very behind the scenes job at the library; however, outside of work you may have seen Dustin front and center stage as he acts in local plays and productions like the Dicken's Festival and such. Family is important to him, as he looks after four busy children (along with his wife's help of course). He is also the proud parent of a recent high school graduate. Congratulations, Dustin!
