

Message From The Director

I've heard that time flies when you're having fun. With that in mind, I must be having a blast in the library. The summer reading time in the library seemed to fly by! We were talking about welcoming people back after COVID with drawings for big prizes, and next thing I know, we are giving out Nintendo switches to a couple of our lucky finishers! It was a ton of fun, and we hope that those prizes are getting some good use. Apparently, "time flies like an arrow; fruit flies like a banana" (Anthony G. Oettinger)...har har har har!

According to helpguide.org, one of the more well-known benefits of volunteering is the impact on the community. Volunteering allows you to connect to your community and make it a better place. Even helping out with the smallest tasks can make a real difference to the lives of people, animals, and organizations in need. And volunteering is a two-way street: It can benefit you and your family as much as the cause you choose to help. Dedicating your time as a volunteer helps you make new friends, expand your network, and boost your social skills.

Allow me to talk a little bit about community impact. If you are anything like me, when the masses come to town for big events, I look for a rock to hide under. But did you know that Ironman events have generated nearly \$100 million in economic impact to our region over the past 10 years? And that the world championship is expected to bring another \$25 million in just one week? That is a major boost to our economy, and is a very good thing. In order to make it happen though, they need volunteers. I encourage anyone who is willing to join me in volunteering at the Ironman. It's going to be fun, and will be a major boost to our economy. If interested, sign up here: <https://ironman.volunteerlocal.com/volunteer/?id=54775>.

We love our library volunteers, donors, visitors, and friends.

We hope you have as much fun in the library as we do. REMINDER: September is library card sign up month. If you have a friend without a library card, encourage them to expand their world, and get one. Besides, they already paid for it with their taxes, right?

Library Card Sign Up Month

September is Library Card Sign-up month. There's nothing more empowering than a library card. Through access to technology, media resources and educational programs, libraries provide people of all ages the opportunity to pursue their dreams and passions.

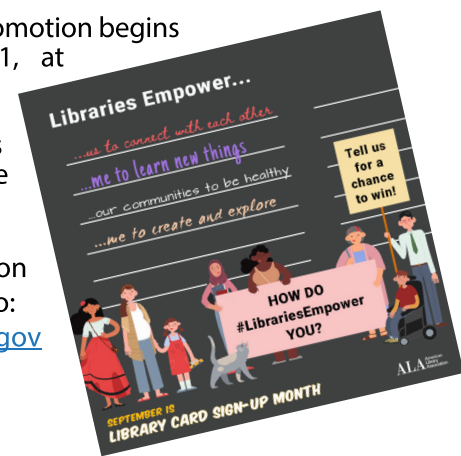

Your local library holds a wealth of knowledge in various formats and mediums, such as CDs, DVDs and BluRays, magazines, Audiobooks, Virtual and Augmented Reality sets. The library give patrons access to Makerspaces, Wifi & Internet access, digital books, and more - all available at your fingertips! Best of all, it's free!

Having a library card opens up new horizons with all the amazing things it gives you access to, including technology, media resources and educational programs. This Library Card Sign-up Month, we're asking everyone to help spread some library love by posting to social media about how the library empowers you for a chance to win. Here's how it works:

Post to Instagram or Twitter using the hashtag #LibrariesEmpower. Entries can also be submitted by posting as a comment or wall post on the I Love Libraries Facebook page. Don't forget to tag your library! The creator of one randomly-selected post will receive a \$100 Visa gift and an ALA Graphics poster. Additionally, three second-place winners will receive an ALA Graphics poster.

The #LibrariesEmpower promotion begins Wednesday, September 1, at noon CT and ends Wednesday, September 22, at noon CT. All librarians and library lovers are encouraged to participate.

For more information on how to get a card, log on to: www.library.washco.utah.gov or call us at 435-634-5737.

Sometimes, change is terrible. Like when that one social media app you use all the time completely changed its layout?! ('Twas dastardly, I tell you.) Or when all of your friends were suddenly replaced by grizzly bears and it was super disorienting? (Or...uh...maybe that was just me?) Other changes are more welcome, such as a seasonal shift from "Too-hot-to-exist-as-solid-matter-in-the-outdoors" to "I-may-just-fancy-going-for-a-walk-today." In other words, autumn is here (or, well, nearly here). You may welcome this change or dread it, but among all the change, there's one thing you can count on: your local library having lots of great DVDs to check out. Here are a few we've added recently that you might like:

MOVIES AND TV:

- DREAM HORSE
- FINDING YOU
- HEARTLAND
- HERE TODAY
- HORSE CAMP: A LOVETAIL
- A QUIET PLACE. PART II
- STAR TREK DISCOVERY. SEASON 3
- UNFORGOTTEN. SEASON 4
- THE WALKING DEAD. SEASON 10

DOCUMENTARIES:

- MARIUS PEPITA: THE FRENCH MASTER OF RUSSIAN BALLET
- OLIVER SACKS: HIS OWN LIFE
- ROUTE ONE/USA
- SCIENCE KIDS: DUCKS, QUACKS AND FUN FACTS
- SYSTEM ERROR
- TIME THIEVES: YOUR TIME IS BIG BUSINESS

We know how tricky change can be, so you can count on this: DVDs are FREE to check out with your Washington County Library Card! So the next time you decide to take a stroll around town, be sure to stop by your local library and pick up a DVD or two! (Unless you're a grizzly bear. No more of those, please.)

Employee Spotlight

Please join me in congratulating Tammy Sower as the Library Employee Spotlight for August.

Tammy is a clerk at the Washington Branch, providing quality customer service to our wonderful patrons of the library. She is nice to everyone and has a great, get things done attitude. In addition to helping patrons at the circ desk, she has been working on updating the branch MSDS sheets, checking to see that the Data Sheets match what we actually have in inventory. She also has tasked herself learning the 3D printers, and has been able to help patrons and staff with their projects.

Tammy served in the military, where she spent several years in Korea. She can speak and write in Korean, and she claims to make the best kimchi. She also served in Iraq. She recently did a display on the branches of the military and did a 3D print representing all the branches including the Space Force. After the display was taken down she had a drawing and gave out each of the 3D prints to patrons. She is a problem solver, she works well under pressure, and has been a great addition to our library team! Congratulations Tammy!
