

## Message From The Director

February seemed to fly by. Of course, that may be because there are only 28 days in the month. And on that note...(tangent)...why is February so short? In everything I read, it appears that back in the day, there were only 10 months, which started in March and ended in December, lining up with the harvest.

January and February had nothing to do with the harvest, so apparently not important enough to name. Ouch! As an Aquarius, and a fan of Valentines Day, I find that thought...sad. Which leads me to another thought, did people celebrate birthdays back then? Either way, apparently Julius Caesar commissioned an expert to create a sun-based calendar like the one the Egyptians used, and we now have the Julian Calendar. Apparently, February has always been a little short, as we push to get to March (and planting?). And here we are! Tangent over.

Speaking of planting, did you know the library has obtained a few hydroponic gardens? A few of the branches are a little further along than others, but they are fun to see, and worth talking about with your local librarian. Having grown up on a farm, I find it fascinating that we are growing things without dirt. And apparently the roots for some of the plants are almost 5 feet long. I wonder how long roots grow in dirt. Just fascinating stuff!

Another noteworthy program that we are doing is the Epic Movie Event. We had to place it on hold for COVID, but it is back! We have reserved a theater for opening weekend of the new Fantastic Beasts 3 movie. To participate, you have to be a teen (age 13-18), you have to earn 100 points (by using the library), and be available at 9:30 am to check in on April 16th to attend the movie at 10:00 am. Spread the word, let the teens know, come to the library and earn a free ticket!

We like to have fun in the library, and invite you to join us. Whether you are a teen, a child, or an adult, all are welcome. We look forward to seeing you soon!

We know all about shamrocks, horseshoes, and rabbits' feet, and their supposed luck-granting properties. And, to be perfectly frank, they leave a little something to be desired. For instance, once this author took a genuine four-leaf clover to her high school's football game, but her team still lost miserably. (She is still sorely disappointed.) We here at the library think it's high time a new good luck charm was instituted, such as, perhaps, DVDs from our collection. Here are some recently added DVDs you could try for luck:

**MOVIES :**

- ENCANTO
- GHOSTBUSTERS: AFTERLIFE
- AFTER WE FELL
- KING RICHARD
- RESIDENT EVIL: WELCOME TO RACCOON CITY
- ONE SHOT
- SETTLERS

**TELEVISION:**

- DOCTOR WHO: FLUX -SEASON13
- DEATH IN PARADISE- SEASON 10
- 44 CATS
- STARGIRL: SEASON 2
- VIENNA BLOOD-SEASON 2
- GHOSTS- SEASON 1
- THIS IS US - SEASON 4

Good luck doesn't have to cost you a fortune; DVDs are FREE to borrow with your Washington County Library Card. So the next time you find yourself in need of a little luck, come on down to the library to borrow a DVD. And hey—if it doesn't work for luck, you can still enjoy a great show.

**Employee Spotlight**

Have you ever taken something for granted, until it wasn't there, and then realized how much you really needed it? I found myself in this situation recently, though I did not take her for granted.

Tracie Madsen apparently tried to conquer the warp wall, and ended up with a broken leg, that took her out of the office for a time. I guess she has some training to do before she becomes the next ninja warrior, but I'm just glad that she is back. We missed her. If that intro didn't make it clear, Tracie is our Spotlight for February 2022.

Tracie is the Admin Assistant for the library. She started working for the library in 2018, and has been a brilliant library star! I've never met anyone so hard working, focused, organized, and productive. Tracie is responsible for purchasing for the library, bill management, files, PCards, ERate, library board/MTM minutes, and so much more.

If you have received a birthday gift...I can take very little recognition for that...mostly Tracie. She helps the clerk's office with voting, she helps in scheduling interviews for the library, she helps from time to time at the back check in, and just helps wherever she can. She is the heart of the library...so no more broken legs please. She enjoys spending time with her family, no matter where they may be.

Celebrate the 25th anniversary of "World Book Day" on March 3, 2022. With the goal to change lives through stories, and this year's theme is "You Are A Reader". What better place to celebrate books than at your library!

Books awaken the imagination and spark curiosity in children. Books teach us all to appreciate words and language, and create new universes to explore. One example of this is the Newbery Medal winning book "A Wrinkle In Time" by Madeleine L'Engle. This book chronicles the adventures of Meg Murray, her brother Charles Wallace, and their daring rescue of their father who disappeared while experimenting with time travel. Visit your library and find new stories and universes to explore!
