

Message From The Director

On your mark, get set, go! Just like the runners at the starting blocks waiting for the signal to go. It is go time at the library. Some folks look forward to Track and Field season, and the runners at the starting blocks. Others look forward to football season, and the first kickoff, well at the library every year we look forward to the big summer library event which kicks-off at the start of June. Do you want to have some fun? Do you want to win prizes? Summer Reading runs during June and July. You can participate in—the main event, the focal point, the hub of library activity, the nucleus, the experience! Call it what you want, Summer Reading is the big dance for the library.

We invest time, energy, and hope into this annual event. We do things all year long, but this really is the chance to have fun and get something back on your reading investment. In fact in each category—Children, Teen, and Adult—you have the opportunity to be entered into a finisher prize drawing. This year adults, teens, and children who finish the program will be eligible for a random system wide drawing to win a grand prize in each category or tier.

This is not all: weekly, each of our locations give away incentives for those who complete and submit their reading. We also have programs for Children, Teen, and Adult participants. These are fun events held at the library; ask your branch for a schedule. Registration can be in person or online at our website. The staff try hard to make these events fun and engaging. Often adults get their children involved, but forget they can also embrace "Summer Reading" at the library.

If you have never participated, try it out. It is easy and fun. If you have questions any library staff member can direct you to information and help you get started. They can also extol the virtues of reading and participating. In case the above didn't convince you and you need more: "Research shows us that summer reading programs really do improve kids' reading skills and increase their desire to read. Additionally, according to the School Library Journal, those who participate not only mitigate any summer learning loss, but they even show gains. (See, <https://scholarwithin.com/6-benefits-of-summer-reading-programs>)" Remember, the earlier you start this program the more you can potentially win, so time is really on your side at whatever age or stage of life. Enjoy!!

Employee Spotlight

I am pleased to announce Jared Bollinger as our Employee Spotlight for May! Jared is the dedicated courier from our Enterprise branch and has consistently provided outstanding service to our library for the past 8 years.

Jared hails from Enterprise, where he enjoys a rich family life with his two sons and their beloved dog, Dodger, a name inspired by his passion for the Los Angeles Dodgers. In their free time, Jared and his family love to hunt, fish, and go camping, embracing the great outdoors together.

Beyond his role at the library, Jared has an impressive background in healthcare. He currently works at St. George Regional Hospital, where he manages the cardiac testing unit, which at times takes him to other IHC locations. His commitment to community service extends further as he serves as an EMS for the City of Enterprise.

Jared's dedication to his community is evident in his long-standing civic engagement. He was a member of the city council for the past 12 years and has served on the planning commission for eight years prior to that, contributing significantly to the development and betterment of Enterprise.

Congratulations to Jared for being our May Employee Spotlight! We are grateful for your hard work and dedication, both to our library and the community.

And don't forget to dance around the backyard in honor of the summer solstice on June 20th—just watch out for the neighbors!

But wait, there's more! The best celebration of all is that you can snag your favorite TV shows and movies on DVD for FREE at your library! Picture this: you, cozy in your favorite spot, snacks within arm's reach, and an endless lineup of the best TV shows and movies, all for the unbeatable price of free! Check out these latest titles:
