

Message From The Director

I'm please to share several new and improved resources available at the library for patron use:

RBDigital – Many people know about and use Overdrive/Libby. However, did you know that we have a database for just e-audiobooks? We have continued to grow our e-audiobook selection in RBDigital, but we have just signed a new deal with AMAZING benefits for our e-audiobook listeners. Our holdings for e-audiobooks jumped from 500 items to over 28,000. Jaw dropping, right? Even better, for the majority of the content, there are no holds and simultaneous checkout. Checkout what you want, when you want. Find RBDigital in our ebook section of our e-resources on our website.

Reference USA – We had access to Reference USA through the state, but discontinued providing the resource. However, back by popular demand, we have contracted (with Dixie University) to provide this reference and research info to our patrons. With information on U.S. Business (including local), New Businesses, white pages, Jobs, internships, healthcare, consumers, and more...it is a great addition to the library! Wanna look up an old friend...I did. Find Reference USA in our database section of our e-resources on our website.

Makerspaces – The library has been adding Makerspaces at each branch. Santa Clara, St. George, and Hurricane were the first. We've just been approved (and have purchased most of the equipment) to build a new extension of the Washington Branch for an A/V Makerspace. Want to do a podcast, make a movie with a green screen, record a record...it will all be doable in the Washington A/V Makerspace. Also, we have just purchased a mobile makerspace for each of our small branches. With tech gadgets to tinker with, a 3D printer, and Virtual Reality headsets, we are excited to have these available to all who are interested.

Virtual Reality (VR) – Each branch now has at least one Oculus VR headset and one Merge Augmented Reality Headset. Want to travel the world, learn Tai Chi, meditate, do puzzles, become a DJ, visit a museum, or train to use a light saber? Come visit the library, we've got you covered!

Everyone knows that holidays are a lot of work. The kids are home from school, the in-laws want to get together for a party, and that leaky faucet you said you'd get around to is still dripping. And dripping. And dripping. Well, this Labor Day, it's time to say, "Enough!" Enough with the parties, enough with the household chores, enough with the childcare. (Okay—wait. You still DEFINITELY need to take care of your children.) But for the rest, it's time to take it easy this Labor Day! Put your feet up! Watch a DVD from the library. We just happen to have a few recently-added suggestions:

Movies & TV:

- ALITA: BATTLE ANGEL
- LONG SHOT
- POKÉMON DETECTIVE PIKACHU
- POMS
- SHAZAM!
- TOLKIEN
- UGLYDOLL

Documentaries:

- AMERICAN NATIVE
- BEUYS
- LIVING VOLCANOES
- LOVE, GILDA
- MAKALA
- THE MUELLER INVESTIGATION
- QUIET HEROES

We're not going to make you work too hard for these DVDs; they're FREE to borrow with your Washington County Library Card. So do just a SMIDGEN of work to come over to the library, and then revel in the relaxation to come.

Employee Spotlight

I would like to highlight Carrie Vaughn as our library employee spotlight for August!

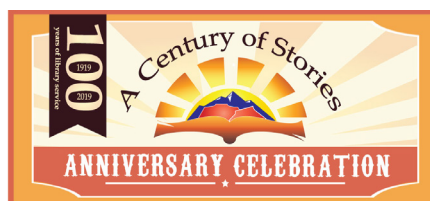

Carri has been with the Washington County Library System off and on for quite some time. She first started in 1998 at the old St. George Library. Jane Mann was her supervisor and she worked part-time at the Reference Desk and part-time at the Computer Lab. At the time, she was attending Dixie College. After she graduated, she left to attend college in Oregon, where she met and married her husband. They're celebrating their 15th year anniversary, and have two awesome kids.

Carrie returned to library service at the Santa Clara Branch in 2011 as a part-time clerk. She moved away for a year in 2015, and returned first as a sub, then as a part-time clerk. She's been with Santa Clara Branch since. Carrie does a great job of providing quality customer service with her glowing smile at the Circ Desk. In addition, Carrie hosts our bimonthly afternoon matinees. She compiles and displays a biweekly list of all the new DVDs added to our collection within the previous two weeks. With the help of our Children's Librarian, Carrie serves as the teen program coordinator for Santa Clara, and has seen a consistent rise in teen participation. She has developed creative and fun programs and continues to develop great ideas for future programs.

Carrie's favorite thing about her job is getting to work with such awesome people! "I feel very lucky to have the best coworkers ever!" Of course she means throughout the library system! Carrie loves talking with patrons about books and movies - getting and giving recommendations. In her spare time, Carrie loves reading, quilting, needlework, candle-making, hiking, birding and photography.

We appreciate all Carrie does to make Santa Clara and the Washington County Library System a great place to be.
