

## Message From The Director

Summer Reading Kicks Off!

Do you want to have some fun? Do you want to win prizes? Last month I wrote about Get Caught Reading. So...now you have practiced up and are prepared to make it count. Summer Reading is kicking off, and running in June and July. You can participate in—the main event, the focal point, the hub of library activity, the nucleus, the experience! Call it what you want, Summer Reading is the big dance for the library.

We invest time, energy, and hope into this annual event. We do things all year long, but this really is the chance to have fun and get something back on your reading investment. In fact in each category—Children, Teen, and Adult—you have the opportunity to be entered into a finisher prize drawing. This year three adults, three teens, and three children who finish will win a gift card in the amount of \$25, \$50, or \$75.

This is not all: weekly, each of our locations give away incentives for those who complete and submit their reading. We also have programs for Children, Teen, and Adult participants. These are fun events held at the library; ask your branch for a schedule. Registration can be in person or online at our website. The staff try hard to make these events fun and engaging. Often adults get their children involved, but forget they can also embrace “Summer Reading” at the library.

If you have never participated, try it out. It is easy and fun. If you have questions any library staff member can direct you to information and help you get started. They can also extol the virtues of reading and participating. In case the above didn't convince you and you need more: “Research shows us that summer reading programs really do improve kids' reading skills and increase their desire to read. Additionally, according to the School Library Journal, those who participate not only mitigate any summer learning loss, but they even show gains. (See, <https://scholarwithin.com/6-benefits-of-summer-reading--programs/>) Remember, the earlier you start this program the more you can potentially win, so time is really on your side at whatever age or stage of life. Enjoy!!

  
Alan Anderson, Director  
Washington County Library System

The Washington County Library System is proud to be a member of the Collaborative Summer Reading Program. The Collaborative Summer Library Program (CSLP) is a consortium of states working together to provide high-quality summer reading program materials for children, teens, and adults for their public libraries. Best of all, every program is FREE to our patrons!

This year, the Library System offers reading programs for children, ‘tweens, teens and adults! The theme for 2023 is “All Together Now”, and features programming with a focus on togetherness, inclusivity and community unity.

Why read? Successful readers generally do better at school, and are more successful taking tests. Summer is an important time for students to keep reading and improve their language skills. If your child doesn't read regularly this summer, they may be in danger of the “summer slide” - a decline in their reading ability.

Studies have shown that children and teens that read regularly during the summer retain their reading skills, and are more likely to do well in school. Reading is also great for grown-ups! Reading helps slow cognitive decline in adults. And reading is fun, so get the whole family signed up to read this summer.

Sign up at your local branch, or go online and register at <http://washcolibrary.readsquared.com/>. Plan on attending one of the many programs that are scheduled at each of the eight library branches for entertaining and engaging educational opportunities. The summer is the perfect time to relax and enjoy the pleasures of reading at your library!

## Employee Spotlight

It is my pleasure to present Jennifer Bowen as the May Employee Spotlight. Jennifer worked at the Salt Lake City Public Library prior to starting at the Washington County Library System. She has worked at three locations in The Washington County Library System: Santa Clara, Washington, and now Saint George. Prior to her current

position she worked at the Reference Desk in St. George, but since February 2022 she made a smooth transition to the Technical Services Department. Thanks in part to her skills, discipline, and close attention to detail she is a great fit for our newest materials selector. During her time as the new Children's Selector, she has received numerous acknowledgements, appreciating the amount and quality of material selections from staff and patrons. It has been said, "You're seriously knocking it out of the park!"

Jennifer was born in Germany. She has lived in this area since she was 5. After graduating from Dixie High School she joined the U.S. Army as a chaplain's assistant, and spent time in South Korea. She enjoys cross-stitching and loves to read. She has 20+ bookcases. Last she counted, she had close to 20,000 physical books at her home and maybe up to 50,000 eBooks in her personal collection.

Above all, she is well known for being informative and reliable; a great go-getter. Thank you, Jennifer, for your dedication to the Library System, and congratulations!

- Alan Anderson,  
Director

**JUNETEENTH**  
*Freedom Day*

THE LIBRARY SYSTEM WILL  
BE CLOSED ON  
MONDAY JUNE 19TH  
TO OBSERVE JUNETEENTH

Summer break is finally here! And things...don't look all that different. The kids are still telling you they're bored, just like they have been for the last 1,000 weeks. But now at least you can visit some of the great outdoors, or have a barbecue, or chase each other with water guns! However you plan to take advantage of the warmer weather, we know you'll need an occasional break from the outside (especially once temperatures get over 110). What better way than to turn on the air conditioning and settle in for a nice DVD from the library? For some ideas, here are a few of the recently added DVDs:

### MOVIES

- Creed 3
- Ant Man and Wasp: Quantumania
- Cowboys: A Documentary Portrait
- 80 for Brady

### TELEVISION

- Seal Team Six - Season 6
- Madame Blanc - Season 2
- Yellowstone - Season 5, pt. 1
- Midsomer Murders - Season 23
- Under the Vines - Season 2
- Bloodlands - Season 2

Our library branches are also nicely air conditioned! And because we know your summer power bill may skyrocket a bit, DVDs are FREE (as always) to borrow with your Washington County Library Card. So come on by to take a break from the heat and find some DVDs to check out. Just...don't squirt us with water guns. Please.

**READ DOWN YOUR FINES!**

Children age 17 and under can read down their library fines at any of the library branches from JUNE 1 - JULY 31, 2023.

Children must come to the library to read down their fines. Each 15 minutes they read is one dollar off the fine!

To take advantage of this program, children must check in with library staff. The time will be documented and the fines removed from their library record when finished!

Library fines may be read down on adult records if the late fines are from the children's collection. Only fines can be waived and lost or damaged items are not included in this program. Check it out @ your library!
